Time: 10:00 – 15:00

★ Step into the Future Through Makeup

Step beyond Earth and into the Future. On **May 17th**, Make Up Institute Stockholm will transform into a vision of tomorrow, where glamour is shaped by innovation, light, and the mystery of the cosmos.

In the Space Age, beauty is redefined. Skin appears luminous and celestial; finishes are metallic, chrome, and glass-like, and colors reflect starlight, nebulae, and distant galaxies. This is glamour influenced by advanced technology and infinite space - sleek, powerful, and unapologetically bold.

Your challenge: create a **Space Age Glam** look that feels futuristic, high-fashion, and visionary. Think polished and enhanced, yet experimental. Choose one striking element that pushes the look into the future: mirror-like metallic eyes, holographic pigments, sculpted graphic liners, cosmic crystal details, or a chrome lip that looks forged beyond Earth.

Picture a fashion icon stepping into an intergalactic couture summit - elegant, commanding, and light-years ahead of her time. Your look should feel advanced, radiant, and unforgettable, where glamour meets the unknown and beauty has no gravity.

★ Competition Theme: Space Age Glam

Your look should tell the story of luxury and extravagance. We want to see:

- **Makeup as the main focus** (minimum 60% of the overall look)
- **One bold creative element that enhances the glam**, detailed eye design, unusual lips, metallics, crystals, or another bold feature that elevates the glam
- **Hairstyle or headpiece** that supports the Futuristic mood and enhances the makeup

- **Outfit or styling that completes the vision**, giving the impression of an Intergalactic Beauty walking into a cosmic ball

The jury will judge the full impression, from makeup to styling, but remember, this is not fantasy or SFX. It is **glamour, refinement, and creativity combined**.

★ Competition Guidelines

- **Makeup Focus:** At least 60% of the look must be makeup. Strong, polished execution is expected.
- **Makeup Application Rule:** All makeup must be applied **only on the model**. Contestants may **not** apply makeup on themselves as part of the competition look.
